The time period for reply, if any, is set in the attached communication.

DETAILED ACTION

1. The Reply Brief of 30 July 2007 has been received & will be forwarded to the Board of Patent Appeals and interferences.
2. Examiner notes that the substance of Appellant's arguments is that the two slot machines in a single cabinet are intended for use by a single player. This is, of course, merely intended use & does not distinguish over the prior art. The prior art teaches the claimed structure. Furthermore, as anyone who looks at Fey will see, a single player can easily play both machines.
